

CMPT 767 – Visualization – Week 5 Journal – Memories in BC

Date: 7th October 2019

Name: Anurag Bejju (301369375)

Visualization 1

Opinion

This was one of the first pictures I have taken during my first visit to downtown area in Vancouver.

Visualization 2

Opinion

This light ball installation was so well designed. It was hollow and allowed us to go inside it.

Visualization 3

Opinion

Vancouver skyline gets so pretty when the night falls.

Visualization 4

Opinion

This was my first snow man I have ever built.

Visualization 5

Opinion

Nothing beats the beauty of grouse mountain. Extremely beautiful.

Visualization 6

Opinion

Trip to bridal falls was just amazing.

Visualization 7

Opinion

The spring blossoms bring so much of fun and joy with it.
